

Please note that only the tune line sings “we wanna”, but we all sing “we love you”

**Thank you, we wanna Thank you
Thank you to the NHS**

**Thank you, we wanna Thank you
Thank you to the NHS**

**Thank you, we love you
Thank you to the NHS**

*The doctors and the nurses
And all the little mercies*

*From people on our street -
For the smiles when we meet them.*

*The bin men, the drivers,
The food to go inside us,*

*For all of our community
and all of their humanity*

*The postman,
The people in the shop
And the clean clean air!*

But most of all... (Back to top)
